EXAM DESCRIPTION

This exam assesses your ability to understand, install and configure Ruckus ICX products. The RICXI Accreditation, along with an understanding of Layer 2 routing and switching protocols, is a pre-requisite to the Ruckus Certified Network Implementer (RCNI) certification.

Passing this exam confers the **Ruckus ICX Implementer (RICXI) Accreditation**.

TARGET AUDIENCE

This certification is designed for network implementers and system administrators tasked with installation, configuration and basic operation of Ruckus ICX networking equipment.

SKILL & COMPETENCY

Before taking the exam, you should master the critical competencies and experience covered in the following courses/curricula:

> ICX 150- Ruckus ICX Implementer
> Ruckus Routing and Switching Protocols *(pre-requisite)*

The RICXI Accreditation, along with an understanding of Layer 2 routing and switching protocols, is a pre-requisite to the Ruckus Certified Network Implementer (RCNI) Certification.

CERTIFICATE AND DIGITAL BADGE

Within one week of passing the exam, your credentials will be delivered directly from Accredible, where you can download a high-resolution, print-ready certificate and digital badge.
